Dog Walking

Don't have time to take your dog out? No problem! Let us do it. We have multiple length options listed below. There is a 10% discount for returning customers who have an average of three or more walks per week.

15 Minutes	30 Minutes	45 Minutes	60 Minutes
A quick stretch	A nice walk	A brisk hike	A doggie trek
This is great for young pups and senior dogs. We take them outside for 15 minutes and let them get some exercise and do their thing.	For thirty minutes, your canine friend will get to strut around the neighborhood, do his or her business, and return refreshed.	Forty-five minutes is long enough for most pups. During this time they can explore and get exercise, coming home happier and healthier for it.	For an hour, we can treat your dog to an expedition through the neighborhood and nearby parks. We'll make sure your friend is well hydrated and receives all the attention that he or she needs.
\$15	\$20	\$25	\$30
